Who is singing the song?

The Beatles

Song Generator: The Beatles

Enter some lyrics to start the song:

Here comes the sun

Generate

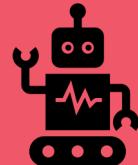

Made with Streamlit

Prompt: It's been a long time

It's been a long time
Since I heard from you
Please, be good to me
I'm so sad and alone
Oh, I've been alone for so long
I wonder what went wrong

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait 'til I come back to your side
We'll forget the tears we've cried
